Hello SCANA,

Not much to report this month. We are going to be looking into the library donation situation a little closer to make sure that they don't have any specific requirements about the books. IE softcover, hardcover, labeled, etc. We will provide all information once we have it. We are still searching for people with experience to help potentially set up a website for SCANA. If you have that experience please email or call the PR chair. Thanks all! If your groups have any questions or suggestions for us, please feel free to send a home group member to the PR subcommittee. We would love the support!

Thanks for letting me serve,

Sam
