SCANA Treasurer Report
Feb 2020

Hey everyone. So to amend some things. Last months reports were both incorrect, it was Moving On who made the \$244.00 donation to the ASC not Just For Today. Thank you to Moving On for pointing that out. The donation was made as a combo of their December and January checks. Decembers being \$136.00 and Januarys being \$108.00. The donation this month from moving on was a combo of their February check which was brought to the ASC and their October of 2019 check which was received in the mail just prior to the February ASC meeting. The February Check being \$161.00 and the October check being \$100.00.

Now when you look at the report you find that there is a discrepancy ending in us being 20 below the prudent reserve. During the ASC meeting I made the mistake of counting We Do Recovers \$20 dollar donation twice in my calculator and all following math was based on that. The donation the homeregrops voted on was based on that calculation. Not wanting to change the amounts the homeregrops voted on we have gone 20 dollars into prudent reserve. I apologize to the ASC for my mistake, but also would like to use this as an opportunity skill for an alternate, Someone who can be helping collect donations, double counting and helping do the math.

Lastly, the 70 for the mailbox was not due in January, its due at the beginning of the 'fiscal year' not the beginning of *The Year*. It was reintroduced as other. As always thank you for allowing me to serve.
