South Coastal Area H&I Report March 2020

Hello SCANA,

Both our comments are going well. No issues to report. I got the 5 Basic Text from World and requesting 71.08 back in reimbursement. Our Treasurer has my receipt. The Basic Text are for the McCord Center and The We Do Recover Home Group donated 5 Basic Text as well for the McCord Center. Where now we can have a literature study as requested by the staff. We are also looking at doing combined learning day with PR on the first Saturday in May, time to be determined.

Last month we had a meeting planned with Port City H&I Subcommittee but they canceled. The ball is there court now to plan and set up the next meeting. Hope did send me a list of their comments the dates and the times so if anyone is wanting to go a comment in Charleston let me know.

A motion has been made about the use of suboxone and people doing H&I. The Home Groups have this now. We have discussed this at the last two subcommittee meetings. And much heart felted debate was in put by many. If I know you're on suboxone or methadone I just don't ask you to come it's a simple solution for me. I started doing H&I in 1995 and have not had to deal with this and it has not been issue until now.

Thank You for letting serve

Got any questions feel free to call

Thank You for letting me serve

SCANA TREASURER REPORT FYE 2017 changes/corrections to be made

NA World Services Statement Regarding Coronavirus

We have had many inquiries and questions about health concerns regarding the coronavirus (COVID-19). While it is not our role to make statements regarding health issues, we encourage NA groups to discuss the situations you are facing and the options you have to provide safe environments for those who attend your meetings. Groups may want to consider asking members to temporarily stop some of the common practices found at NA meetings such as hugging or shaking hands, or offering refreshments. You may also want to consider alternatives to "circling up" at the end of the meeting.

Some groups are discussing contingencies for the possibility that they will not be able to meet face to face for some period; ideas include hosting phone meetings or online meetings. These are just a few thoughts; we honor each NA group's responsibility to discuss and determine what is best for their meeting.

You may want to contact your national or local public health agencies for specific guidance regarding meetings and gatherings. We are aware of the guidelines and recommendations provided by the Centers for Disease Control (CDC), https://www.cdc.gov/ and there are similar agencies in countries outside of the USA. The World Health Organization (WHO) may also be a resource https://www.who.int/.

If you are seeking information about specific local NA events or meetings, please contact the service committee responsible for hosting that event or meeting, or visit their local NA website. We have heard that some events and meetings have been affected by mandated closures, but we do not maintain a list of those and we are not the best resource for current information for local events and meetings. On our Find a Meeting webpage, local websites are listed in the window on the top left side of the page: https://www.na.org/meetingsearch/

We are hopeful that NA members and groups can continue to provide support for one another as we move through this current situation, and we will update this information as necessary in the coming weeks. You have our best wishes.

Don't forget to fill out your CAR survey before the 1 April deadline: www.na.org/survey
