Have received broadcast logs from both television stations running the NA PSA
I have personally seen it twice. Pretty cool on the television. (gave me chills)

Palmetto breeze bus line posters. NA help poster on 2 lines. Routes 302 and 310 will run until June 21. That will end June 21 with another 50\$ due if we want another month.

Got a request from Beaufort memorial hospital for schedules and information pamphlets for their new opioid overdose Emergency room program.

SCASC RCM Report
May 16, 2021

There has been virtually no service activity at the regional level, that I have been made aware of since our April SCASC meeting.

I received a request from Ted Remley from the Moving On group to provide a copy of the Carolina Region's letter of insurance. Once the town of Walterboro settles on a definite street address for their new facility, the region will be able to provide a letter of insurance coverage with the Welcome Home group named as the named insured.

I just discovered that I did not email the CRSC budget as promised. I will do that tonight. There will be enough time in June to discuss any questions and/or concern your home groups might have.

I would like some feedback today about making a motion to change the regional policy so that all the CRSC meetings would be virtual. We have already done that for regional subcommittees and that process is working well.

I would also like to start a discussion at the region about a CRSC sponsored Regional Service Symposium, like the Florida Service Symposium. Let's talk about it.

Please contact me if I can be of any help.

Thank you allowing me to serve.

CHECKLIST FOR REOPENING MEETINGS

It is suggested that groups have a detailed plan for reopening in-person meetings. As NA groups, we need to keep our Traditions in mind (paraphrased here):

4th Tradition – Groups are autonomous, *except when our actions may affect other groups or NA as a whole.*

10th Tradition – We have no opinion on outside issues, and so should *avoid being drawn into public controversy.*

12th Tradition – We should practice *spiritual principles in all our affairs*, including selflessness, responsibility, trustworthiness and compassion.

Below are items groups should take into consideration when planning to reopen, and suggestions for addressing them:

- ☐ Have we visited the websites to CDC and state/local guidelines to be sure we are in compliance with them?
- ☐ Have we spoken to the facility; do we have permission to meet where we rent? Does the facility have any specific requirements that must be adhered to when using the facilities going forward?
- ☐ Do we have plans for sanitizing before and after the meeting?
 - Clean all tables and chairs before members arrive; and after members leave.
 - Have spray cleaner and paper towels available for those who want to clean their own areas.
 - Make sure that restrooms (if open) have soap for washing hands.
- ☐ Have we thought about ways to encourage personal safety?
 - Wear your masks/face coverings to meetings.
 - Consider not serving coffee, and suggest that members bring their own drinks.
 - Have hand sanitizer available if possible.
- ☐ Do we have a socially distant seating plan?
 - Move chairs to allow for space between members.
 - Consider designating a separate area for members with compromised immune systems – could use “reserved” signs on seats; make sure the designated space is away from high-traffic areas.
- ☐ Are we prepared to take every precaution we can during the meeting?
 - **Readings:** Download readings/books/IPs to avoid passing literature around the meeting.
 - **Contributions:** Put the basket in a stationary place; or consider using a money app for donations.
 - Have gloves and sanitizer available for anyone **signing papers.**
 - Spray **keytags** with disinfectant prior to the meeting; wear gloves when handing them out.
 - Create electronic versions of **phone lists**, or exchange phone numbers via text.
 - Refer attendees to websites or apps for **meeting schedules** instead of using paper lists.
 - **Circle up without touching**, and maintain physical distance.
- ☐ Have we thought about ways to accommodate those not yet able to meet in person due to health or other concerns? (Example: hybrid-virtual/physical meeting)
- ☐ Have we come up with a plan on how to handle situations where we may have an overflow in attendance?
 - Is there a completely separate space we have permission to use? (A large group, divided within a single room or space, is still a large group)
- ☐ Have we carefully considered how reopening our meeting will affect our public image?
 - Communicate with members and the public (as needed) about the precautions the group is taking to protect the safety of meeting attendees and the public as a whole.
 - Add an announcement in the meeting format to clearly state and reiterate the precautions being taken to protect members.

The following is an **EXAMPLE** of information that can be posted on the meeting door –

WELCOME TO THE _____ GROUP OF NARCOTICS ANONYMOUS

To protect the safety of our members:

- **Please do not move the chairs**
- **We normally hug – Please be mindful that due to corona 19 - and social distancing guidelines we are advised to not have physical contact at this time.**
- **If you feel sick, or have had a fever in the past 14 days, please refrain from attending the meeting in person. Virtual meetings are still available at (insert virtual meeting information here)**
